Work order 223 B has been established to cover the purchase and installation of a new treating plant air compressor to replace an old machine that disintegrated several months ago.

The new machine has been ordered from Clayhill, Inc. and is a Chicago Pneumatic Type 2B, size 14" x 13" with 100 HP motor. The purchase is covered by our purchase order 10-3308.

The cost including, starters, belt guards, cutoff switches and other protective devices will be approximately \$11,600.00.

The installation cost, including foundations, electrical facilities, piping, will cost another \$3,000.00, which will give an overall job cost of approximately \$14,600.00.

It is estimated that this work will be completed within 8 to 10 weeks.

Kindly make all charges for the work to General Ledger Account 153-223 B.

Very truly yours,

TE Reilly
